ance of the year. Apply at Democrat office.

THE CITY SCHOOLS.

The schools throughout the city opened yester-
day morning. The attendance was larger than on any
previous opening day, and the prospects are
that this will be one of the best seasons of
the city schools have yet had. We have been in-
formed that the rooms used by the schools of
the Fifth and Seventh wards were taken from
the trustees without any given notice, and
when the children assembled the doors were
found closed. After the war com-
menced the buildings erected for the city
schools were taken by the military as hospi-
tals, since which time they have been used
for that purpose, and the school trustees pro-
cured other rooms. Now that the necessity
is not so pressing, cannot our military au-
thorities give up the school buildings, or at
least a portion of them? It is actually
necessity that the buildings should be given
up for the purpose for which they were erected.
We hope that the military will take this sub-
ject into consideration, and, if possible, turn
the school buildings over to the board of
trustees, as it is impossible for them to pro-
cure rooms or buildings of sufficient size to
accommodate the large number of children
that have already entered.

LOUISVILLE THEATRE.

A large and fashion-
able audience was at this theatre to witness
the entrance of Miss Charlotte Thompson last
evening. Bulwer's play, "The Lady of Lyons,"
was the programme of entertainment, and
with superb fidelity did this gifted artist ful-
fill all the requirements of the author in giving
us a perfect Pauline. In look, word, and ges-
ture she was the proud, scornful lady—the
cottage scene fairly rivals the best efforts we
ever had the fortune to witness from Rachel.
To night Miss Thompson appears in her great
character of Camille.

THE BOARD OF SCHOOL TRUSTEES

had a meeting last night. A resolution was passed
requesting the Council to take some steps to-
wards procuring a new building for the Fe-
male High School. The Board adjourned to
meet again next Monday night, when the
subject of purchasing suitable property and
the erecting of a building for the Female
High School will be taken up. The building
heretofore occupied for that purpose is inad-
quate, and by all means a new one should be
erected. We hope that the City Council will
attend to the matter, and see that the work is
done as soon as possible.

ARRESTED.—Officers Matz and Beard

arrested two men, Victor Schaefer and J. M.
Schnader, about ten o'clock last night, for be-
ing in a fight near Elm street bridge about
sundown. They got into a difficulty with a
party of Irishmen and cut some of them so badly
that they are not expected to recover. We
were unable to learn the origin of the diffi-
culty.

NARROW ESCAPE FROM DROWNING.

Yesterday afternoon a man, whose name we did not
learn, went into the river for the purpose of
bathing. Not being able to swim, and getting
beyond his depth, he would have drowned
had it not been for some men nearby, who
jumped in, brought him out, and by landing
him on terra firma saved him from a watery
grave.

WOOD'S THEATRE.—Balf's celebrated opera

of the Bohemian Girl drew a large audience
to Wood's theatre last night. In the part
of Arline, no one we have ever had the pleasure
of witnessing can compare with the beautiful
Miss Sallie. Her singing is superb and her
acting excellent. The piece will be repeated
to-night, and we advise all lovers of good mu-
sic to attend.

PRESENTATION.—On yesterday evening Adj.

Lloyd was presented with a fine sword by the
soldiers on duty at barracks No. 1 while at
dress parade. The Adjutant received the
sword in a short and appropriate address.
Adj. Lloyd is a gentleman, a soldier, and
no present could have been more worthily
bestowed.

THE ELECTION.—In the election on Monday

a little upward of three hundred votes were
polled. The ordinance received five hundred
and seventy-five majority. We understand
that the work has already commenced and
that it will be pushed forward with energy
until finished.

The citizens in the neighborhood of

York and Third complain of the villainous
order that pervades the atmosphere nightly in
that locality. The night carts and other nu-
isances should be looked after by those whose
duty it is to see that nuisances should be
abated within the city limits.

HIGH PRICED TOBACCO.—A hoghead of

fine Mescal tobacco was sold yesterday by
Messrs. Spratt & Co., of the Pickett Ware-
house, for the handsome price of eighty-eight
dollars per one hundred pounds. It was pur-
chased by our enterprising fellow-citizens,
Messrs. Dunekake, Lancaster & Co.

The funeral of the late John T. Vicks-

burg, who was killed in the battle of Vicks-
burg, will take place this morning at ten
o'clock. Carriages leave the residence of his
brother, A. J. Harrison, this morning for
Cave Hill. See notice in another column.

New Music.—One of the most beautiful

songs that we have ever heard has just been
published by Wm. McCarter, on Jefferson
Street. It is entitled "O Give me Back the
Dreams of Youth." Everybody should have
a copy.

arrested a runaway negro, the property
of J. McCarter of this county, who resides
about eight miles from the city. The boy
had been absent for nearly two years.

corded here.

REBELS IN KENTUCKY.—During the past

two days rumors have been in the city that
there was a considerable force of rebel
troops in our State, but these rumors have
greatly exaggerated the facts. Upon diligent
inquiry we learn that there is a camp of guer-
illas and rebel deserters, about 400 strong, on
the southern bank of the Cumberland river,
and who make frequent raids across that
stream, robbing the citizens of their horses
and everything else that they are able to carry
away. These men are under the command of
two noted guerrillas, Hamilton and Hughes.
Lately they have made raids into Burkesville,
Cumberland county, and Columbia, Adair
county, and committed all sorts of depreda-
tions upon the citizens.

There have also been rumors in the city
that the forces of Preston and Marshall had
entered the State by way of Pickett. Up to
noon yesterday no intelligence, so far as we
could learn, has been received at headquarters
in regard to these movements, and it is not gen-
erally believed that there is any real force of
consequence in the State.

ACCIDENTALLY SHOT.—On Sunday after-

noon, a number of gentlemen were return-
ing from a fishing party on White river, where
they had been for a week, one of them, Mr.
Alfred Gay, was accidentally shot. About a
mile from Indianapolis Mr. Gay's gun slipped
through an open space in the side of the
wagon (an express wagon), and on pulling it
out with the muzzle within a few inches of his
person, the hammer caught and discharged.
The contents in his left breast, just below the
shoulder blade, the charge passing entirely
through his body, and causing death in a few
hours.

WE call attention to the advertisement

among our best and most reliable business
men and its officers are perfectly familiar with
their business.

MERCHANTS LOOK HERE.—Messrs. Platt

Allen & Co. have one of the largest and best
selected stocks of boots and shoes to be found
in the city. They are among our oldest mer-
chants, and all who want goods in their line
will do well to give them a call. Their store is
on the north side Main street, between Seventh
and Eighth. They are fair dealers and sell
their goods low to suit the times. See adver-
tisement.

he is prepared to make on the shortest notice

number of years been connected with the

is recognized to be one of the best cutters in
the West.

ting stock to the advertisement of Mr. L. L.

sorrow and degradation; he has a disease
which the human mind cannot control. He
is broken by his sin, his heart is broken, his
father will squander his property, if he be
has any, and leaves them to want; soon he must
die and leave them orphans, unless he is
reclaimed. Then say him, if you can,
that he go to "Bull's Cordon Bitters" upon him.
It has reclaimed many inebriates, and
saved many families from degradation. You

WORLD'S FAIR, LONDON, 1863.—The highest

premium has been awarded for the Wheel-
er & Wilson Sewing Machine at the World's
Fair, recently held in London, England, with
all other sewing machines in competition.
This result is not unexpected, as the Wheeler
& Wilson is the most perfect and best in the
world. It is a simple machine, and is easily
operated by a child. It is a triumph more noteworthy
considering the public sentiment in England
towards the machine, and the fact that it is
the only machine that has been awarded the
highest prize at the World's Fair. It is a
general agent for the West & Southwest,
Office No. 1, Masonic Temple.

OBITUARY.

Died, on the 21st of July, 1863, at her home, in Loui-
ville, Ky., Mrs. Mary E. KANSER, wife of Mr. R. F.
Kanser, daughter of Mr. W. W. Sauer, in the
26th year of her age.

The deceased possessed a largeness of character that
needs not the "foreign aid" of flattering eulogy. When
young she was a devoted and successful scholar, and
in the maturity and admiration of the Lord, she solemnly
devoted herself to the service of God, and took
membership in the Church of Christ, at Newburg, Ky.,
in the fall of 1844, and was admitted to the full mem-
bership of the same in the fall of 1845. She was a
